Judge John Stelk, fearless and able, is a man of the people.

C. J. DOYLE VINDICATED

The attempt of some villains to blacken the good name of C. J. Doyle of Springfield, former secretary of state, was foiled completely in Judge Landis' court. The attempt of some of the gang to prove that he had accepted a check for \$200 from the fellows in the Consumers Packing Co. outfit was proven to be utterly false and the endorsement of Mr. Doyle's name on the check was shown to be a rank forgery.

Mr. Doyle was completely exonerated of any connection whatsoever with the gang, as his friends knew that he would be.

RE-ELECT CULLERTON

Able Alderman Should Be Re-elected to the City Council. His Honorable Record.

The Chicago Eagle in common with its fellow citizens earnestly desires to see Alderman Edward F. Cullerton re-elected to the City Council from the Eleventh Ward. The public record of this able man is one that redounds to the credit of himself and the honor of the city he has served so well. Alderman Cullerton is the Dean of Chicago Aldermen. His service in the City Council has been almost continuous since 1872. In every emergency that faced the municipality, his sage advice and dauntless courage have aided Chicago through her difficulties. To print a record of the great civil achievements which Alderman Cullerton inaugurated would fill a page and then the story would only be half told. He helped put the city on its feet after the Great Fire of 1871. He aided it to regain its financial credit as chairman of the Finance committee after the awful panic of 1873. In every crisis since he has been at the front battling for the people's rights and upholding the city's honor. He is invaluable in the board of aldermen just at this time. The people of the Eleventh Ward will do the people of the whole city a service by re-electing him.

RE-ELECT ALD. POWERS

Voters of the Nineteenth Ward Will Send Back Veteran Leader to the Council with Increased Majority.

Alderman John Powers, who for thirty years has represented the Nineteenth ward in the city council, should be re-elected this spring by an increased majority. During most of the period of his service in the city council Alderman Powers was the leader of that body. For many years he was chairman of the finance committee and has held the chairmanship of all of the most important committees. His experience is a valuable aid to the city and upon many an occasion has pulled the city out of a hole. His advice is frequently sought by his fellow aldermen and by city officials upon points with which they are not familiar and Alderman Powers' long experience has always come to their assistance. He is one of the ablest men in the council and his resourcefulness, courage and steadfast devotion to duty are appreciated by his fellow citizens. The Nineteenth ward should and will re-elect him by a large majority.

Henry Stuckart will be elected City Treasurer by a large majority.
